

# Family & Community

Within its holistic model of whole-of-person care, IWC provides a range of Community Services to empower individuals and families. These include delivery of the following to Aboriginal and Torres Strait Islander peoples and their households:

- Alcohol & Other Drugs Program
- Chronic disease supports (Integrated Team Care Program)
- Mental health supports (Indigenous Stepped Care Program)
- Home Care services
- Youth Program
- Families' Wellbeing Program
- Cultural services and education
- Linkages with agencies, schools

**The Community Services team facilitates the following:**

- Men's Group
- Women's Group
